

Senate Bill 73 Required Data Collection and Reporting¹

Below are the data collection and reporting requirements that will inform the performance and outcome measures of the policies in Senate Bill 73. The annual report will include all the required measures and will be reported in such a way to demonstrate the achievement of agency objectives and the intended effects of the policies in the bill.

- Performance measures demonstrate whether an agency is achieving its objectives and if progress is being made toward agency goals such as, reduced length of stay on probation or in out-of-home placements
- Outcome measures demonstrate whether the intervention (e.g., probation supervision, commitment to DOC) had the intended effect such as, increased public safety and reduced recidivism
